

Who's In the House

Carman

Oh yeah, yeah, c'mon let's do it
Yo, rock it! Born, born, born, born, born, born
He was a born to a virgin named Mary on Christmas Day
He bled and He d-died on the cross to take sin away
You take Him high, you take Him low
You take J.C. wherever you go Now tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house today The way is straight and narrow
And few there be that find it today
But there's an angle in the tangle
And it's Jesus Christ, He's the way The solution to pollution of the mind
And problems with sin
For two thousand years
It's still, you must be born again Now tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house today Who do you go to when the road is long?
Jesus, you go to Jesus
Who is the answer for when things are going wrong?
Jesus, His name is Jesus Jesus, He's hope for the hopeless
Jesus, The Holy One
Jesus, Friend to the friendless
Jesus, God's only Son Jesus, Bread for the hungry
Jesus, for every man
Jesus, for all creation When He's in your life, you want to dance, dance
We're kickin' it for Christ
Dance, dance, we're kickin' it for Christ
Dance, dance, we're kickin' it for Christ
Dance, dance, we're kickin' it for Christ Ya'll tell me who, who, who, who, who?
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Tell me who's in the house? J.C.
Jesus Christ is in the house

Jesus Christ is in the house
I said that Jesus Christ, He's in the house today Kick it
