carved in stone

The Blood Countess

We wrote our names on every bridge and every wall
On every open stretch of sand
Down through the years we watched them fade away
Knowing our love grew stronger day by day
(CHORUS)
Carved in stone
This love runs so deep.
Carved in stone
So strong and so complete.
Carved in stone
We're in this love forever.
Carved in stone.

The storms of life will never breach the walls of home
Nor brake the promises we made
This love was made to stand the test of time
That's how it's written in this heart of mine
(CHORUS)
This ain't no heart that any wave can wash away.
We're in this love together
You and I forever and a day.
(CHORUS)
