Zombie Stomp

Ozzy Osbourne

Yeah I don't need no doctor
But I need something to kill the pain
Don't know what I'm after
But the pressure's driving me insane
Searching for a different role
Had a funny feeling I can't hide
Hey, hey, do the zombie stomp
Why can't they just let me be
Alone without the misery?
Hey, hey, do the zombie, zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp
Flirting with disaster
Morning after killing me again
Hiding from the laughter
And the demons dancing around my brain
Always dancing on thin ice
I guess I'll have to pay the price
Hey, hey, do the zombie stomp
Thinking' how it could have been
If I had never let them in
Hey, hey, do the zombie, zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp
Take me to the doctor
'Cause I feel it coming on again
Don't know where I'm going
'Cause I guess I don't know where I've been
Looking for a different ride
Always dancing on thin ice
Hey, hey, do the zombie stomp
Thinking how it could have been
If I had never let them in
Hey, hey, do the zombie, zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp
Hey, hey, do the zombie stomp

Hey, hey, do the zombie stomp
