

I Promise You

Selena Gomez

I know that my love for you is real
It's something true that we do, just something natural that I feel
When you walk in the room, when you're near
I feel my heart skip a beat, the whole world disappears And there's just you and me
Falling head over feet
Let's take a chance together I know, I know, I know, I know
We gonna make it
'Cause no one else can make me feel
The way that you do, I promise you I know, I know, I know, I know
We gonna get there
Today, tomorrow, and forever
We will stay true, I promise you They say that we're just too young to know
But I'm sure, heart and soul, that I'm never letting you go
When it's right it's right, and this is it
'Cause I'm walking on air every single time that we kiss You make the angels sing
You give that songbird wings
You make everything better I know, I know, I know, I know
We gonna make it
'Cause no one else can make me feel
The way that you do, I promise you I know, I know, I know, I know
We gonna get there
Today, tomorrow, and forever
We will stay true, I promise you I'll never let you down
I'll always hear you out
There is nothing you cannot confide You listen when I speak
You make my knees go weak
And I just want you by my side I know, I know, I know, I know
We gonna make it
'Cause no one else can make me feel
The way that you do, I promise you I know, I know, I know, I know
We gonna get there
Today, tomorrow, forever
We will stay true, I promise you We're gonna make it
I promise you, yeah, yeah, yeah
I promise you
I promise you
I promise you
