

Disappointment

Jewelia

Disappointment you shouldn't have done
 You couldn't have done
 You shouldn't have done
 The things you did then
 And we could've been happy
What a piteous thing, a hideous thing
 Was tainted by the rest
 But it won't get any harder
And I hope you'll find your way again
 And it won't get any higher
But it all boils down to what you did then
 In the night we fight, I lied you're right
 It was exactly then
 I decided
 And drew you out
In the night we fight, I lied you're right
 It was exactly there
 I decided
 But it won't be any harder
And I hope you'll find you way again
 And it won't get any higher
But it over boils down to what you did then
 Disappointment
