

Shivers (Tribal Feel Mix)

Armin van Buuren

A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bit World's on turn around
Music make no sound
Where is sweetness found
Where love is gone Sun don't come around
Don't make a sound
Where can love be found
If your heart won't feel Shivers
Up and down my spine
Breaker
Not on my mind A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bit How could it end this way
Don't leave me, love me
Just a little bit longer
Just a little bit longer
Just a little bit longer They don't turn tonight
Morning don't bring light
Where is sweetness found
Where love is gone Won't you stay tonight
Let the truth shine bright
Where can love be found
If your heart won't feel Memories
Emotions that we share
Teardrops
Signing my face How could it end this way
Don't leave me, love me
Just a little bit longer
Just a little bit longer
Just a little bit longer
Just a little bit longer A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
