Out of Your Life

Bob Mould

If you want me out of your life
Now, all you gotta do is tell me
Oh, I ain't got a life of my own, now
And the one I got with you could kill meYou've been takin' some time, does it weigh on your mind?
You think you've got an answer, tell me, I don't know
But if you want me out of your life
Now all you gotta do is tell me, now and I will get out of your lifeNow, if you want me out of the way
Now, all you gotta say is somethin'
And if you think you'll tell me today
Well, it seems I'm waitin' here for nothin'You still call me your friend, yeah I think you're pretendin'
If you keep on ignorin' me then I will go
But if you want me out of your life
Now all you gotta do is tell meWhen all this confusion goes, what else could there be?
But this feelin' I knew that turned out to be true
When I saw you walkin' out you turned your back on meNow, if you want me out of your life
Now, all you gotta do is tell me
Oh, I ain't got a life all alone, now
And the one I had with you near killed meNow, it's time to catch up on the ones I forgot
It took losin' you to find the things that I still got
But if you want me out of your life
Now all you gotta do is tell meTell me, tell me now and I will get out of your life
If you tell me, tell me, and I will get out of your life
[Incomprehensible]
I will get out of your life, if you tell me, you tell now, oh yeah
