Beauty

N2U

Ooh, yeah
Yea, yea, yea
Oh, oh, oh, ohh
Beauty can get 'em
But it sure can't keep emYou can have the prettiest skin, prettiest eyes
Prettiest smile with the thickest thighs
And a sex apply but that don't mean a thing to me
'Cuz without honesty or loyalty
You can only be a common enemyThat's why beauty can get 'em
But sure can't keep 'em
(Beauty can get 'em but it sure can't keep 'em)
Beauty can get 'em
But it sure can't keep 'em
It's a plus but it don't mean nothin' thoughWithout a good heart what good are you to me?
Only impressed by the things you see
SUVs with TVs, expensive clothes and accesories
If it looks good to you, don't mean that it's good for you
All you need is real love, nowadays it's hard to findBeauty can get 'em
But it sure can't keep 'em
(See my mama told me the came exact words)
Beauty can get 'em
But it sure can't keep 'emOoh, will you, will you stay by me, girl
If I lost all my money?
Will you be there even when things go down?
Ooh, yea, yea, yeaBeauty can get 'em
But it sure can't keep 'em
If I need somebody [unverified] I'll just open up a magazine
Beauty can get 'em
But it sure can't keep 'emWhat's the use of lookin' at ya
When you can't do nuttin' for me?
Beauty can get 'em
But it sure can't keep 'em
(Sure can't keep 'em)
Beauty can get 'em
But it sure can't keep 'em
(Sure can't keep)(Yea, woah)
You can be the most finest thing on the outside
But the ugliest in the inside
Feel me [unverified] aight

(Beauty)
See to you
(Can get 'em)
