Rubberneck Lions

Oysterhead

Rubberneck lions as I lie bed
Double barrel under the pillow, under my head
Ya don't wake a man when he's trying to dead
'Cause of the rubberneck lions as I lie in bedRubberneck lions as I lie in bed
I bought a cactus from a miser named Fred
I choose to live on water and bread
'Cause of the rubberneck lions as I lie in bedWell, I'm cold and I'm lonely but I'll come around
Black clouds hanging over shady ground
Full moon risin' up above my headRubberneck lions as I lie in bed, rubberneck lions
As I lie in bed, I never listen to a word you said
Never mess with a man when he's trying to be dead
Rubberneck lions as I lie in bed, rubberneck lions as I lie in bedWell, I'm old and I'm homely but would
You come around? Ears to deaf to hear a sound
Aaron looked to Moses for his daily breadRubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Three strips of bacon on my toasted head
Two over easy on a roll and I'm fed, rubberneck lions as I lie in bed
Rubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Rubberneck lions as I lie in bedRubberneck lions as I lie bed
Double barrel under the pillow, under my head
Ya don't wake a man when he's trying to dead
'Cause of the rubberneck lions as I lie in bedRubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Rubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Rubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Rubberneck lions as I lie in bed, rubberneck lions as I lie in bed
Rubberneck lions
