

# That's How We Do

Ross Lynch, Maia Mitchell, Garrett Clayton, Grace

There's a fresh breeze headed down  
the beach  
Saving me from the heat  
A new beginning on a wave of endless  
possibilities  
I feel a good change coming round the bend  
Can't help but move my feet  
It's a different story cause I change the end  
I make my own destiny  
I make my own destiny I make my own destiny  
I make my own destiny  
Dancing and a howl and a shaking and a shout and  
Over flowing like a silver fountain  
Moving and a grooving everything is  
new and  
I take your hand and I dance with you  
I'm gonna show you how we do Bubble, bubble, bubble La pupple,  
pupple, pupple la sparkle, sparkle  
rattly doo  
Fizzle, fizzle, fizzle la whizzle, whizzle,  
whizzle la booma, booma  
That's how we do Bubble, bubble, bubble la pupple, pupple, pupple la sparkle, sparkle,  
rattly doo  
Fizzle, fizzle, fizzle la whizzle, whizzle, whizzle la booma, booma  
That's how we do  
My only job is to surf all day  
I only wanna work on my tan  
I gotta live life in my own way  
I take my chances in the sand  
I party down till the sun comes up  
Rocking then we're ready to go  
Anything can happen our time has come  
Come on let's start the show  
Come on let's start the show Dancing and a howl and a shaking and a shout and  
Over flowing like a silver fountain  
Moving and a grooving everything is new and  
I take your hand and I dance with you  
I'm gonna show you how we do Bubble, bubble, bubble la pupple,
