I Knew You Were Waiting

Hear'say

Like a warrior that fights and wins the battle
I know the taste of victory
Though I went through some nights, consumed by the shadows
I was crippled emotionally
Mmm, somehow I made it through the heartache
Yes I did, I escaped (uh huh)
I found my way out of the darkness
I kept my faith (I know you did), kept my faith
When the river was deep, I didn't falter
When the mountain was high, I still believed
When the valley was low, it didn't stop me, no no
I knew you were waiting, I knew you were waiting for me, ah-ha
With an endless delight I-I kept on searching
Sure in time our eyes would meet
And the bridge is on fire, the hurt is over
One touch and you set me free
No, I don't regret a single moment
No I don't (I know you don't), looking back, uh
When I think of all those disappointments
I just laugh (I know you do), I just laugh
When the river was deep, I didn't falter
When the mountain was high, I still believed
When the valley was low, it didn't stop me, oh
I knew you were waiting (oh), I knew you were waiting for me
So we were drawn together through destiny, ooh boy (ooh)

I know this love we share was meant to be (no, oh)
I knew you were waiting (ooh ooh)
Knew you were waiting (I knew you were waiting)
Knew you were waiting for me (oh I)
I didn't falter (I didn't falter, no)
I still believed (when the valley was low)
It didn't stop me (ah, it can't stop me, no)
I knew (no way) you were waiting (no how)
Knew you were waiting for me
I didn't falter (when the mountain was high)
I still believed (oh, when the valley was low)
It didn't stop me (huh, no it didn't stop me, no)
I knew you were waiting (something)

I knew you were waiting for me (yeah)
(Woah) I didn't falter (oh yeah)
I still believed (oh, I still believed)
It didn't stop me (do you know it couldn't stop me, no)
I knew you were waiting
Something, somewhere, some place, somehow for me
I didn't falter (when the valley was low)
I still believed (I still believed, I believed, I believed)
It didn't stop me (ah, it couldn't stop me)
I knew (no way) you were waiting (oh yeah)
I knew you were waiting for me
