## Slipknot

This song is not for the living  
This song is for the dead With my face against the floor  
I can't see who knocked me out of the way  
I don't want to get back up  
But I have to, so it might as well be today  
Nothing appeals to me, no one feels like me  
I'm too busy being calm to disappear  
I'm in no shape to be alone  
Contrary to the shit that you might hear So walk with me, walk with me  
Don't let this symbolism kill your heart  
Walk with me, walk with me  
Just like we should have done right from the start  
Walk with me, walk with me  
Don't let this fucking world tear you apart
