

Can't Stop (Extended Club Mix)

Hanson & Davis

Oh yeah Can't stop thinking about you
Can't stop thinking about you Morning, day or night
I tremble at your sight
It's impossible to fight, I've tried
Now you're in my head
And your mind I've read
Could recite the words you said, now I Can't stop thinking about you
Can't get you off of my mind
No, I can't stop thinking about you
I'm thinking about you all the time
Can't stop thinking about you
I can't get you off of my mind
No, I can't stop thinking about you
I'm thinking about you all the time
Cupid's dart seeped through
And all along you knew
I just want you to be mine
There's nothing I can do
I'm all wrapped up with you
Even if I wanted to I'm out of time Can't stop thinking about you
I can't get you off of my mind
No, I can't stop thinking about you
I'm thinking about you all the time
Can't stop thinking about you
I can't get you off of my mind
No, I can't stop thinking about you
I'm think' about you all the time
I want to know, I said why is it so
Can't stop thinking ooh I
I want to know, I said why is it so
Can't stop thinking ooh I
Yeah Tick tock, tick tock goes the clock
Not a second passes
I can't stop
Tick tock, tick tock goes the clock
Not a second passes
I can't stop
Tick tock, tick tock goes the clock
Not a second passes
