What are you gonna lose?  
Everybody come along and this Is what we'll do  
Ain't got nothing in my pocket but some lint that's a fact  
So I'm leavin' for Las Vegas cause that's where It's at It's just one of those days you gotta deal with  
What are you gonna lose?  
Everybody come along and this Is what we'll do  
Ain't got nothing in my pocket but some lint that's a fact  
So I'm leavin' for Las Vegas cause that's where It's at
