

# Gravity (Den Haan Remix)

Pixie Lott

Gravity

Gravity

Gravity

Gravity

Gravity

Gravity

Stop pullin' me I know that you still haven't found you

And when I wanna stand on my own two

Suddenly you start to show

Signs of what is possible Then you're back to your ways and I let me down

Tell me why I keep tryin' a stay around

When all my family

They always telling me,

Be Through with you

And I know that deep down I'm callin' time on you

On you

On you Every time I'm ready to leave

Always seem to be

Pullin' in the wrong direction

Divin' in with no protection

Man, you can't keep steerin' me wrong

Oh gravity

Pullin' me back, pullin' me in

Why you pullin' me back, pullin' me in

Just like gravity

Gravity

Gravity

Gravity

Gravity

Gravity I know I betrayed but I'm made to

Ignore the universe when I see you

Cos every night the stars will shine

Merging in to u-turn signs

Anythin' they can just to change my mind

When I pass your road I can't help rewind What is wrong with me?

All that I wanna be is Through with you

And I know that deep down I'm callin' time on you

On you

On you Every time I'm ready to leave

Always seem to be  
Pullin' in the wrong direction  
Divin' in with no protection
