Girl Trouble

Chicky Stoltz

Have mercy on me
I got girl trouble up the assHave mercy on me people
I got girl trouble up the ass
And don't tell me no joke
'Cause I'm not gonna laughI need the cure, only one cure in this world
And I need the cure, only one cure in this world
Hey, James Brown, I need a woman or a girlAnd hit me in the morning
Hit me in the night
Hit me when I'm wrong
Hit me when I'm rightHit me when I'm up
Hit me when I'm down
Hit me, hit me, hit me, hit me
All over townGirl trouble
I got girl trouble up the ass
And don't tell me no joke
'Cause I'm not gonna laughNow I'm not trying to fool you people
I'm not giving you no jive
Make me feel I'd rather be dead than aliveTake a look around
What's shoving up my behind
Problems drive me out of my mindGirl trouble
I got girl trouble up the ass
Don't tell me no joke
I'm not gonna laughHit me in the morning
Hit me in the night
Hit me when I'm wrong
Hit me when I'm rightHit me when I'm up
Hit me when I'm down
Hit me, hit me, hit me, hit me
All over townGirl trouble
I got girl trouble up the ass
And don't tell me no joke
I'm not gonna laugh
I got girl trouble up the assGirl trouble
I got girl trouble, baby
I got girl trouble
I got girl trouble, baby
Girl trouble, girl trouble up the assGirl trouble
I got girl trouble, baby
I got girl trouble

I got girl trouble, baby
Girl trouble, girl trouble up the ass
