

# Now Or Later

## Dionne Farris

Please tell me what is going on  
What have I done to you  
To make you feel so blue? I know something has gone wrong  
I can see it in your eyes  
There is no need to lie If I am truly your friend  
Maybe sometimes we don't agree  
But you can come to me You know I'm here until the end  
And if I can ease the pain  
I'll make you see a brighter day Either now or later I don't want to pressure you  
I know you need some time  
To search and try to find Put all your thoughts into view  
And you will soon believe  
Anything you can achieve I hate to see you feel this way  
'cause all your misery  
Is killing me, baby Things will change, if not today  
Look to the heavens up above  
And there is where you'll find your love
