Uncertainty

Stratovarius

Learning by trying it 's hard to deny it
While paying for what I used to know
Dreams are deceiving until I 'm achieving
The goals I haven 't set too lowWaiting for a new day
To wipe away the Uncertainty
That flows around me
Once again to staySo many choices but so few answers
My time slips away while thinking too much
Whom to believe in they 're all just repeating
The same old lies so nice to clutchWaiting for a new day
To wipe away the Uncertainty
That flows around me
Once again to stay
