## **Blasphemy**

## **Morbid Angel**

I am the god of gods
Master of the arts
I desecrate the chaste
Writhe in the fleshBlasphemyChant the blasphemy
Mockery of the messiah
We curse the holy ghostEnslaver of the weak
God of lies and greed
God of hypocrisy
We laugh at your bastard child
No god shall come before meBlaspheme the ghost
Blasphemy of the holy ghostDo what thou wilt shall be the whole of the law
Rebel against the church
Drink from the chalice of blasphemy
Rise up against the enslaver
