

Hey Jude

Grateful Dead

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it betterHey Jude don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it betterAnd any time you feel the pain, Hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Da da da da da
da da da daHey Jude don't let me down
You have found her now go and get her
Remember to let her into your heart
Then you can start to make it betterSo let it out and let it in
Hey Jude begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude you'll do
The movement you need is on your shoulderDa da da da da
da da da da YeahHey Jude don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better
Better, better, better, better, better, Yeah, Yeah, Yeah
