

# Nobody Loves You Like I Do

## Patty Loveless

Leave your heartaches just outside the door  
Lean your troubles up against my heart  
And anytime you need a friend to laugh or cry with you  
Remember, nobody loves you like I do  
Sometimes things just don't go your way  
Sometimes rain clouds cover up the sky  
And if someday you think that I've grown tired of you  
Remember, nobody loves you like I do  
There's no one else in the whole wide world  
Could ever take the place of you

And no one else in the whole wide world  
Could ever love you like I do  
Don't be afraid of what the day may bring  
Yesterday don't matter anymore  
Just as long as you need me I'll be there for you  
'Coz darlin', nobody loves you like I do  
Just as long as you need me I'll be there for you  
'Coz darlin', nobody loves you like I do
