A Promise

Dead by April

You said "Something will change"

We were all dressed up

Somewhere to go, no sign of rain

But something will change, you promisedYou said "Nothing will change"

We were almost near, almost far

Down came the rain

But nothing will change, you promised A promise

A promise

A promiseIt's exactly the same

You said "It's always the same

But I'll make it change

Into something the same, I promise"A promise

A promise

A promiseLight on the waves

Light on the waves

Light on the waves

Light on the wavesA promise

A promise

A promise

A promise(Light on the water)

A promise

(We could sail on forever)

A promise

(There's light on the water)

A promise

(We could sail on forever)

A promise

(There's light on the water)

A promise
