Fools in Love

Inara George

Fools in love
Are there any other kinds of lovers?
Fools in love
Is there any other kind of pain?Everything you do, everywhere you go now
Everything you touch, everything you feel
Everything you see, everything you know now
Everything you do, you do it for your baby
Love your baby, love your baby, love your baby, loveFools in love
Are there any creatures more pathetic?
Fools in love
Never knowing when they've lost the gameEverything you do, everywhere you go now
Everything you touch, everything you feel
Everything you see, everything you know now
Everything you do, you do it for your baby
Love, your baby love, your baby love, your baby loveFools in love, they think they're heroes
'Cause they get to feel no pain
I say fools in love are zeros, I should know
I should know because this fool's in love againFools in love
Gently hold each other's hands forever
Fools in love
Gently tear each other limb from limbEverything you do, everywhere you go now
Everything you touch, everything you feel
Everything you do, even rock 'n' roll now
Nothing mean a thing except you and your baby
Love your baby, love your baby, love your baby, loveFools in love, they think they're heroes
'Cause they get to feel no pain
I say fools in love are zeros, I should know
I should know because this fool's in love again
