

# Still Tippin

## Mike Jones, Slim Thug, Paul Wall

Come on

Still tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Pimpin' four \*\*\*\* and I'm packin four foursNow look who creepin', look who crawlin', still ballin' in the mix

Is that 6'6, long \*\*\*\* slim \*\*\*\*\*, stickin' your chick

Pullin' tricks, lookin' slick at all times when I'm flippin'

Bar sippin', car dippin', Grant Wood grain grippin'

Still tippin' on four Vouges rapped in four fours

Pimpin' four hoes and I'm packin four fours

Blowin' on that \*\*\*\*, Game Cube Nintendo

Five percent tint so you can't see up in my windowThese \*\*\*\* don't understand me 'cause I'm Boss Hog on candy

Top down at Maxis with a big \*\*\*\* 9 handy

Peaced up, creased up, stayin' dressed to impress

Big boss belt buckle under my Mitchell N Ess

Oh, Gucci shades up on my brades when I escalate

When I'm ridin', Spreewheels slidin' like a escapade

I got it made the big boss of the north,

Ain't \*\*\*\* changed, I still represent Swisha House, haStill tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Pimpin' four \*\*\*\* and I'm packin' four foursFour four's I'm tippin', wood grain, I'm grippin'

Catch me lane switchin' with the paint drippin'

Turn your neck and your dame missin', me and Slim, we ain't trippin'

I'm finger-flippin' and syrup sippin', like do or die, I'm hoe pimpin'

Car stop, rims keep spinnin' I'm flippin' drops with invisible tops

\*\*\*\* bop when my drop step out

I'm shakin' the block with four 18's, candy green with 11 screens

My gasoline always supreme

Got dough, dough to burn with a pint of leanIt takes a grinda to be a king, it takes a grinda to be a king

First-round draft peace comin', who is Mike Jones comin'

Slab shinin' with the grill and woman

Slab shinin' with the grill and woman

I'm Mike Jones, who, Mike Jones, the one and only, you can't clone meGot a lot of haters and a lot homies,  
some are friends and some phony

Back then, \*\*\*\* didn't want me, now I'm hot, \*\*\*\* all on me

Back then, \*\*\*\* didn't want me, now I'm hot, \*\*\*\* all on me

Back then, \*\*\*\* didn't want me, now I'm hot, \*\*\*\* all on me

I said back then, \*\*\*\* didn't want me, now I'm hot, \*\*\*\* all on meStill tippin' on four fours, rapped in four  
Vouges

Tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Pimpin' four \*\*\*\* and I'm packin' four foursWhat it do, it's Paul Wall, I'm the people's champ

My chain light up like a lamp 'cause now I'm back with the camp

I'm crawlin', similar to an ant 'cause I'm low to the earth

People's feelings get hurt when they figure out what I'm worth

I got 84's pokin' out at the club, I'm showin' out

I'm a playa, ain't no doubt, \*\*\*\* wanna know what I'm boutBiggest diamonds off in my mouth, princess cuts  
all in my chain

Wood grain all in my Range, drippin' stains when I switch lanes

Switch the name is still the same, Swisha House or Swisha Blast

Mike Jones, he runnin' the game and magnificent 'bout his cash

\*\*\*\*\* \*\*\*\*, he made me hot, hard work took me to the top

G-Dash took me to the lot, he wrote a check and bought a drop

I got the internet, going nuts

But T Pharis got my back so now I'm holding my \*\*\*\*

It's Paul Wall, baby, what you know 'bout me

I'm on that 5-9 Southie baby, holla at meStill tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Tippin' on four fours, rapped in four Vouges

Pimpin' four \*\*\*\* and I'm packin' four fours
