

# Stoned out of My Mind

## The Chi-Lites

Baby, when I found out you were lyin'  
Playin' around and connivin'  
Undesired tears I was cryin'  
'Cause sugar coated lies I was buyin'I was just a backseat driver in a car of love  
Goin' wherever you take me  
Don't know why I put up with the pain  
'Cause nobody else could make meYou got me goin'  
(Stoned out of my mind)  
You got me goin', hey, hey  
(Stoned out of my mind)You got me goin'  
(Stoned out of my mind)  
You got me goin', hey, hey  
(Stoned out of my mind)When you led me to the water I drank it  
Man, I drank more than I could hold  
When you took my mind and body  
You know you wanna take my soulWhere can I run  
Where can I hide  
Who can I talk to  
Tell me what, what can I doYou got me goin'  
(Stoned out of my mind)  
You got me goin', hey, hey  
(Stoned out of my mind)You got me goin'  
(Stoned out of my mind)  
You got me goin', hey, hey  
(Stoned out of my mind)Hee, you got me goin'  
(Stoned out of my mind)  
You got me goin', hey hey  
(Stoned out of my mind)Been around with every guy in town  
(Stoned out of my mind)  
Funny but I just can't put you down  
(Stoned out of my mind)
