Zacardi Cortez

Just got the call I've been waiting on
Telling me I've got the job
Just got approved for the new crib
Picking up the keys tomorrow
The sun is shining brighter then it ever has
I'm smiling more now we than I ever have
I don't deserve
All the things you do
And I just can't believe that you
Keep blessing me the way that you do
You did did again
Yeah you did it again
#YDIA
Lord you did it again
Lord you did it again
Yeah you did it again
#YDIA
Lord it again
Lord you did it again
My sister just got in a wreck
Walked away without a scratch
Lord it was nobody but you
My daughter 'bout to graduate
With all A' s
That's good news
The supernatural is shining brighter than it ever has
Ooooo oooo
From the bottom of my heart
I want to thank you for that
Ooo ouuu u
I don't deserve
All the things you do
I just can't believe that you keep blessing
Me the way that you dooo
Lord you did it again
Yeah you did it again
#YDIA
Lord you did again
Lord you did it again

I thank you from the bottom of my heart

I thank you from the depth to f my soul

So many great things keep on

Happening in my life

I'm amazed everyday

You keep blowing my mind

I can go on and on

About your goodness

Just when I thought it was over

You turns around and did it again

Said I don't deserve

All the things you do

Oh... I just can't believe that you

Keep blessing me the way that you do

Oh... Lord you did it again

Yeah you did it again

#YDIA

Oh Lord you did it again

Lord you did it again

Repeat till fade
