

# No Condition

## The Maroons

heyyyyyyyyyy

woahhhhhhhhh

heyyyyyyyyyy

woahhhhhhhhh

[verse 1:]can't even hide it, it's written on my face

and i don't have any more time or energy to waste

so i'm waving my white flag

sad it has to be like that

it ain't working out maybe in another life or space

[hook:]oh i

baby, i gave you

ohhhhhh

everything that i could give you

sooo i made my decision

loving you's been a mission

[chorus:]nowwww i'm in no condition

to love you (no more)

nowwww i'm in no condition (ummm)

heyyyyyyyyyy

woahhhhhhhhh

heyyyyyyyyyy (said i'm waving my white flag)

woahhhhhhhhh (sad it has to be like that)

[verse 2:]barely any happy days, we always seem to have drama (too much drama)

and it's really weighing heavy on me baby

both of us acting crazy

i hate it when we fight

middle of the night

always seems to remind me

love, how much it hurts

to know it's getting worse

my faith in us is slowly dying

[hook:][chorus:]nowwww i'm in no condition

to love you (no more)

i'm in no condition

heyyyyyyyyyy (hey)

woahhhhhhhhh

heyyyyyyyyyy

woahhhhhhhhh

heyyyyyyyyyy (i'm in no condition to love)  
woahhhhhhhhh (i'm in no condition to love)  
heyyyyyyyyyy (i'm in no condition to love)  
woahhhhhhhhh (no condition!)  
damn  
How did you go from being my best friend (oh oh)  
To me barely even wanting your affection? (oh oh)  
I never would've thought (hey)  
That i would be, (Oh)  
So why'd I be your ?  
No (oh, oh, oh, oh)  
Oh hold me down (hey) hold me down (oh) yeah  
You hold me down even though it's sad to say it's over now  
I can't love you under these conditions?  
[hook:]so i made my decision  
loving you's been a mission  
[chorus:]nowwwwwwww i'm in no condition  
to love you (no more)  
i'm in no condition  
heyyyyyyyyyy (i'm in no condition to love, no)  
woahhhhhhhhh (i'm in no condition to love, no)  
heyyyyyyyyyy (i'm in no condition to love you)  
woahhhhhhhhh (i'm in no condition to love, no)  
heyyyyyyyyyy (i'm in no condition to love, no)  
woahhhhhhhhh (i'm in no condition to love, no)  
heyyyyyyyyyy (i'm in no condition to love, you)  
woahhhhhhhhh (i'm in no condition to love, no)  
i'm in no condition to love (no condition baby!)  
i'm in no condition to love, no  
i'm in no condition to love you (heyyyyyyyyyy)
