

# Holiday

## Weezer

Let's go away for a while  
You and I, to a strange and distant land  
Where they speak no word of truth  
But we don't understand, anyway Holiday, far away, to stay  
On a holiday, far away  
Let's go today  
In a heartbeat Heartbeat, heartbeat Don't bother to pack your bags or your map  
We won't need them where we're goin'  
We're goin' where the wind is blowin'  
Not knowin' where we're gonna stay Holiday, far away, to stay  
On a holiday, far away, to stay  
On a holiday, far away  
Let's go today  
In a heartbeat Heartbeat, heartbeat  
Heartbeat, heartbeat We write a postcard to our friends  
And family in free verse  
We will write a postcard to our friends  
And family in free verse  
(On the road with Kerouac)  
We will write a postcard to our friends  
(Sheltered in his Bivouac)  
And family in free verse  
(On this road we'll never die) Heartbeat, heartbeat Let's go away for a while  
You and I, to a strange and distant land  
Where they speak no word of truth  
But we don't understand anyway Holiday, far away, to stay  
On a holiday, far away, to stay  
On a holiday, far away  
(Let's go away)  
To stay, on a holiday, far away  
(Let's go away, let's go away)  
To stay in a heartbeat  
(Let's go away)
