Over And Under

Howie D

I know you'll be there
To see the tables turning
Wake up tomorrow
And watch the bridges burning(Pre-chorus)
I can see
I can see it in your eyes
I can feel
I can feel it in my mind
I don't care
I don't care if you realize
What you see
What you see in my eyes(Chorus)
I'm over me being under you
I'm breaking free I'm breaking through
I've overcome all I'm underneath
I can finally stand
I can finally breatheRemember when we
First had the thought of living
A perfect picture
But I did all the giving
Gave up my passions
To try to make you happy
The joke is over
And I'll do all the laughing
