

Dynasty (Wiley Webb Remix) [2012 Remaster]

Kaskade

All eyes on the stage
Together now we can turn the page
All will see the dynasty This globe is getting small
Touch one life and you've touched them all
Look and see a dynasty Yeah, we all have given up
We all have taken up
Tonight we'll live it up
'Cause love has never gone We all have given up
We all have taken up
But tonight we'll live it up
'Cause love has never gone This is a dynasty
This is a dynasty
This is a dynasty
This is a dynasty Now we celebrate
Knowing love set us straight
This will be a dynasty We believe it, we don't try
We will be it, feel it make us fly
All will see this dynasty Yeah, we all have given up
We all have taken up
Tonight we'll live it up
'Cause love has never gone We all have given up
We all have taken up
But tonight we'll live it up
'Cause love has never gone We all have given up
We all have taken up
Tonight we'll live it up
'Cause love has never gone This is a dynasty
This is a dynasty
This is a dynasty
This is a dynasty This is a dynasty
This is a dynasty
This is a dynasty
This is a dynasty
