If You Love Me

[Ronan Keating](#)

Wish I could tell by the look in your eyes
(Where I stand)
Wish I could tell what you're feeling inside
(But I can't)Wish you would say what I'm needing to hear
(You want me)
Give me a sign that would make it all clear
(Just show me)
Don't leave my heart out here on the lineIf you love me let me know
So all of me can just let go
You can have me, heart and soul
If you love me then just let me knowYou let me think that I don't have a chance
(None at all)
You turn away when I capture your glance
(Should I fall)And then you say you've been dreaming of me
(Every night)
The way you talk it's a complete mystery
(Am I right?)
And I don't know what I should believeIf you love me let me know
So all of me can just let go
You can have me heart and soul
If you love me then just let me knowI wanna give you what you need
I wanna be there in your dreams
You gotta show me that you want it
As much as I do, ohWish I could tell by the look in your eyes
Don't leave my heart out here on the lineIf you love me let me know
So all of me can just let go
You can have me heart and soul
If you love me then just let me knowJust let me know
Just let me know
