Baby baby,
Baby baby,
Baby baby,
Baby baby,
Baby babyI want to roll inside your soul
To know the things that you need and feel
Every time that you're by my side
I can't get serious, because you got meCold chill down on my spine
No no more tears, show me a smile
Cold chill down on my spine
No no more tears, show me a smileBaby baby, why can't we just stay together, yeah yeah yeah
Baby baby, why can't we just stay together, yeah yeah yeah
Baby baby, why can't we just stay together, yeah yeah yeah
Baby baby, why can't we just stay together, yeah yeah yeahDeep inside I know you need it
Just let it out and get it on, you gotta feel it
Every time that you're by my side
Just think it over, I'll make you gladCold chill down on my spine
No no more tears, show me a smile
Cold chill down on my spine
No no more tears, show me a smileBaby baby, why can't we just stay together, yeah yeah yeah
