Love In Any Language

Sandi Patty

Je t'aime (French)
Te amo (Spanish)
Ya tyibya lyublyu (Russian phonetic)
Ani ohevet othka (Hebrew)
I love you
The sounds are all as different
As the lands from which they came
And though our words are all unique
Our hearts are still the same

Chorus:
Love in any language
Straight from the heart
Pulls us all together
Never apart
And once we learn to speak it
All the world will hear
Love in any language
Fluently spoken here

We teach the young our differences
Yet look how we're the same
We love to laugh, we dream our dreams
We know the sting of pain
From Lenningrad to Lexington
The farmer loves his land
And daddies all get misty-eyed
To give their daughter's hand

Oh, maybe when we realize
How much there is to share
We'll find too much in common
To pretend it isn't there

(Chorus)

Though the rhetoric of governments
May keep us worlds apart
There's no misinterpreting

The language of the heart

(repeat Chorus 3x)

Love in any language fluently spoken here
Love in any language fluently spoken here
