

Love In Any Language

Sandi Patty

Je t'aime (French)

Te amo (Spanish)

Ya tyibya lyublyu (Russian phonetic)

Ani ohevet othka (Hebrew)

I love you

The sounds are all as different

As the lands from which they came

And though our words are all unique

Our hearts are still the same

Chorus:

Love in any language

Straight from the heart

Pulls us all together

Never apart

And once we learn to speak it

All the world will hear

Love in any language

Fluently spoken here

We teach the young our differences

Yet look how we're the same

We love to laugh, we dream our dreams

We know the sting of pain

From Leningrad to Lexington

The farmer loves his land

And daddies all get misty-eyed

To give their daughter's hand

Oh, maybe when we realize

How much there is to share

We'll find too much in common

To pretend it isn't there

(Chorus)

Though the rhetoric of governments

May keep us worlds apart

There's no misinterpreting

The language of the heart

(repeat Chorus 3x)

Love in any language fluently spoken here

Love in any language fluently spoken here
