## Bowel Mouth

(When you breakin' it down, keep breakin' it down)  
This is what it sounds like when I'm breakin' it down  
Yeah, I'm breakin' it down  
Man, this is what it feels like when I'm breakin' it down  
(When you breakin' it down, keep breakin' it down)It's not my fault  
It's not my fault

It's not my fault  
It's not my faultTill the sun comes up every night  
We party and we party 'til daylight

My tongue'll be in your mouth, my hands'll be in your blouse When you get me aroused you put a spell on me  
Man, if I can't have you I'ma go crazy  
I want you bad now and if you want me  
Girl, come to me now, I said come to me now Come to me now? You gon' come to me now?  
Apple in your mouth, tackled on the couch  
Shackled in the house, I'll be back in about  
Twenty minutes or less wit' my Hannibal mask And when you wiggle around and giggle in that cage  
I know I couldn't wait to get you off that stage  
From the moment I met you had to let you know  
I just wanted to get you through my bedroom do You makin' me feel like I'm in middle school still  
You squeal like a little girl you pitiful, chill  
We gon' fuck, I just popped this little blue pill  
You can leave but wait, I gotta shit on you still I shouldn't have to tell you, shorty, you should know  
I hope you really gettin' into my creep show  
Let me shit on your chest and if some pee comes out  
Just guzzle it down, just guzzle it down On your mark, get set, girl, now here we go  
Racin' off to see your peep show  
It turn me on to see you on the flo'  
When you breakin' it down, keep breakin' it down Ready or not, shorty, now here I come  
Shake that thing, girl, now back it up  
Work it, work it, girl, you turn me on  
When you breakin' it down, keep breakin' it down It's not my fault  
It's not my fault, I can break it down  
It's not my fault  
It's not my fault, can you break it down? It's not my fault  
It's not my fault, I can break it down  
It's not my fault  
It's not my fault, can you break it down? It's not my fault
