

# Meeting over Yonder

## The Impressions

Children, are you ready?  
There's gonna be a meeting over yonder  
Children, are you ready?  
There's gonna be a meeting over yonder

All the boys and the girls' gonna be there  
Young and old, weak and strong's gonna be there  
So children, are you ready?  
For the meeting over yonder

Get my coat, got to go  
To the meeting over yonder  
I've got to learn what I don't know  
At the meeting over yonder

At the talkin', I'm sure all will agree  
The best thing for you, you and me  
Is go to the meeting over yonder  
Go to the meeting over yonder  
Keep on pushin' now

Children, are you ready?  
There's gonna be a meeting over yonder  
Children, are you ready?  
For the meeting over yonder

All the boys and the girls' gonna be there  
Young and old, weak and strong's gonna be there  
So children, are you ready?  
For the meeting over yonder

There's gonna be a meeting over yonder  
For the meeting over yonder  
For the meeting over yonder  
For the meeting over yonder  
For the meeting over yonder
