

My Romance / Danglin'

Sutton Foster

My romance
Doesnt have to have a moon in the sky
My romance
Doesnt need a blue lagoon standing by No month of May
No twinkling stars
No hideaway
No soft guitars My romance
Doesnt need a castle rising in Spain
Nor a dance
To a constantly surprising refrain
Wide awake
I can make my most fantastic dreams come true
My romance
Doesnt need a thing
But you Feelin low
Feelin blue
I am still in love with you
And I dont know what to do.
You left me danglin Neither here
Nor there
I am hanging in the air
And you hardly seem to care
You left me danglin Seems that I never know
When its time to let go
Wonder why Im so slow
Tellin myself
Were through Feelin low
And blue
Somehow cant believe its true
Like a monkey in a zoo
I keep on danglin
Over you You left me danglin Seems that I never know
When its time to let go
Wonder why Im so slow
Tellin myself
Were through Feelin low
And blue
Somehow cant believe its true
Ive become

I dont know who
I keep on danglin
Over youI keep on danglin
Over you
