Over My Heart

Laura Branigan

(Eric Martin/Andre Pessis)
I've been burned by love, fooled by deception
Though times have changed I still feel the pain
I would hold back my true emotions
And if someone got close I would change my direction
You walked into the picture
Right into my soul
I knew from the first night together
I never had a chance
I'm in over my heart this time
Don't know how I could be so blind
I was playin' it safe, but I made a mistake
Ignoring the danger signs
I'm in over my heart, over my heart this time
Well you told me you loved me
I got lost for a minute
Tangled in silence, nothing to say
I was in love, but I didn't know it
And the look on my face was a dead give away
Then you walked into the picture
Right into my soul
I knew from the first night together

I never had a chance
I'm in over my heart this time
And I can't get you out of my mind
It's like I'm frozen in place and I just can't run away
I'm in over my heart this time
Don't know how I could be so blind
I'm in over my heart
Over my heart this time
I'm in over my heart this time
And I can't get you out of my mind
I was playin' it safe, but I made a mistake
Ignoring the danger signs
I'm in over my heart, over my heart
Over my heart...
I'm in over my heart this time
And I can't get you out of my mind

I was playin' it safe, but I made a mistake
I'm in over my heart this time
And I can't get you out of my mind
I was playin' it safe, but I made a mistake
