

Purple Stuff (ft. D-Gotti)

Big Moe

[Intro: Big Moe]

Throw, yo' hands high, wave 'em side to side

Throw, yo' hands high, wave 'em side to side

Throw, yo' hands high, wave 'em side to side

Throw, yo' hands high, wave 'em side to side[Big Moe]

Everybody clap yo' hands, and sing along wit me

It's Big Moe, the barre baby, representin' these Southside streets

Now if you ain't heard of me then you don't know whats up

You can find me on them Screw CD's talkin about 'Purple Stuff'[Chorus]

Purple stuff! (Purple) Purple stuff, purple stuff

Purple stuff! (Purple) Purple stuff, purple stuff

Purple stuff! (Purple) Purple stuff, purple stuff

Purple stuff! (Purple)[Big Moe]

Now see it started back in seventy-fo', Teri gave life to Moe

See momma was a hustler, daddy was a buster, why y'all know how that go

I was raised Screwed Up Texas, didn't know my direction

Now I'm a state representative, been chose by election

Some said I wouldn't make it, but I'm still in the game

Things done changed, diamond rangs,

man it's funny how things done changed

I hooked up with that DJ Screw

He slowed it down, chop-chopped it too

Got blades on the bus, candy paint on the truck

If you want to know what's in my cup[Chorus][D-Gotti]

Now, now, now,

That "Purple Stuff", that Houston soda in my cup

Now I'm behind the wheel, catch the wood, I'm done

Under the influence of bar

Drank stains on my FUBU and I still feel like a star

Now I'm a go up behind the wheel cause I done woke up

Wrapped around a pole and took a sip from my cup

Now I can't slip up, clipper

Catch a player leanin' impa-uh, one up in the trunk

Now, now hut, two, three to da fo'

I done slammed up the for with a Crush Pineapple

Gotti goin' last long but I ain't sipping with that bowl

Drinkin at the bar baby I be way too throwed

And I guess a player had about enough[Chorus][Intro][Chorus]I love that Purple Stuff, yeah..
