Come And Get With Me

Keith Sweat

Yo', Keith Sweat and Snoop D O double G
Real players doin' this VIP, you feel me
So all the ladies that wanna get with us
You got to be special VIP, come get with me
Goodness grief, it's Snoop and Keith Sweat
A double dose of this triple threat
Yep, Moet White Star in a glass
Here's a toast to the fool that let you slip through with no pass
All access, you can jump in and test
When we through parlayin', you dig what I'm sayin'?
You look good, girl, you'd look better if you was with me
Get in where you fit in, let's do this VIP
Look at you, Shorty, you really got it goin' on
(You know you got it goin' on)
I like the way you move it, girl, when the DJ played this song
You're lookin' real good to me
(Lookin' good to me)
Sittin' in a VIP you really need to get with me
(Come on)
Cristal blowin'
(Blowin')
Party still goin'
(Still goin')
Crowd pleasers everywhere
But I still had to stop and stare
'Cause you're lookin' real good to me
(So good)
Sittin' in a VIP
You really need to get with me
(Oh yeah, babe)
So come on get with me, Shorty
(Come get with me, babe)
I got what you need
(Got what you need, girl)
Come on get with me tonight, baby
(Come get with me, babe)
I got what you need
(Got what you need, girl)
Come on get with me

(Come spend the night tonight)
I got what you need
(I'll make you feel alright)
Come on get with me tonight, Shorty
(Come get with me, babe)
(I got what you need)
(Got what you need, girl)
Pullin' out in the Lex, tell you what we'll do next
Know a little spot in town where we can fool around
Girl, I wanna turn you on
(Turn you on)
Make love all night long
(Like that)
You're lookin' real good to me
(You know you look good to me like music, huh, huh)
See, the night is young
(Yeah)
Girl, let's have some fun
Just wanna lay you down
(Yeah)
[Incomprehensible]I wanna get with you
(Oh yeah, yeah)
Tell me what you wanna do
(What you wanna do?)
So come on get with me, Shorty
(Come get with me, babe)
I got what you need
(Got what you need, girl)
Come on get with me tonight, baby
(Come get with me, babe)
I got what you need
(Got what you need, girl)
Now I have seen a lot of girls, but none like you
You're red-boned and thick, got it goin' on, ooh
She's in the next room, I slid by the restroom
And all I heard was zoom zoom zoom
I see you peekin', but you ain't speakin'
Put your drink down, think now, stop tweekin'
A once in a lifetime experience
Come get with me, it'll be luxurious
I'm serious, and curious to find out what turns you on
I'm Snoop Doggy Dogg with the doggy bone
Hangin' with Keith Sweat in his VIP section
Tryin' to give you more than the average affection
[Incomprehensible], close the doors, it's goin' down

You never thought that Keith Sweat
Would hook up with the Dogg Pound
Gangster's finest, take time to listen
Come and get with me 'cause we on a mission
Come on get with me
(Come spend the night tonight)
I got what you need
(I'll make you feel alright)
Come on get with me
(Come get with me, babe)
I got what you need
(Got what you need, girl, ooh)
Yo, yo, what's happenin', baby
(Come on get with me babe)
Come on over here to this VIP section
(Got what you need, girl)
Oh, don't worry about it, you ain't got no wristband?
We gon' get you in, that's all access
(Come on get with me)
Chillin' with the DPG, doin' VIP
(Got what you need, girl)
That's real, don't even worry about no wristband
You rollin' with the Dogg, baby, yeah
Holler at a player, holler at a player
(Yeah)
Holler at a player
(Yeah)
Holler at a player, DPG
Holler at a player
(Get with me, get with me)
Holler at a player
(Get with me, come get with me)
Holler at a player
(Get with me)
Holler at a player
(Yeah)
Don't even sweat it
