## **Bridge Over Troubled Water**

## Simon & Garfunkel

When you're weary Feeling small When tears are in your eyes I will dry them allI'm on your side When times get rough And friends just can't be found Like a bridge over troubled water I will lay me down Like a bridge over troubled water I will lay me downWhen you're down and out When you're on the street When evening falls so hard I will comfort youI'll take your part When darkness comes And pain is all around Like a bridge over troubled water I will lay me down Like a bridge over troubled water I will lay me downSail on Silver Girl, Sail on by Your time has come to shine All your dreams are on their waySee how they shine If you need a friend I'm sailing right behind Like a bridge over troubled water I will ease your mind
