Flatline

Duff McKagan's Loaded

I'm so over you
I don't think you have a clue why I'm leaving
Tell someone who cares
So you've read a lot of Shakespeare
Over and over, get over it
I say au contraire
I don't think that I can stay here
Yeah, we've been over and over it
I don't wanna waste no more time
Throwing Gucci and diamonds after nickels and dimes
I'm so over you
I don't think you have a clue why I'm leaving
(How easy comes goodbye)
I'm so sick of it, I'm already over it
We ain't breathing, our love has flatlined
You always love yourself more than you love me
Except when I made you scream for some more of it
You wear it so damn well like a heart on a sleeve
Except it's your vanity and I'm bored of it
I don't wanna waste no more time
Throwing Gucci and diamonds after nickels and dimes
I'm so over you
I don't think you have a clue why I'm leaving
(How easy comes goodbye)
I'm so sick of it, I'm already over it
We ain't breathing, our love has flatlined
I'm so sick of it, I'm really over it
I'm so sick of you now
I'm so sick of it, I'm really over it
I'm so sick of you now, yeah
I'm so over you
I don't think you have a clue why I'm leaving
(How easy comes goodbye)
I'm so sick of it, I'm already over it
We ain't breathing, our love has flatlined
I'm so over you
I don't think you have a clue why I'm leaving
(How easy comes goodbye)
I'm so sick of it, I'm already over it

We ain't breathing, it's over, flatlined
Our love has flatlined
