So Into You

Duette

I am addicted to how we make love
So unexplainable when we touch
You ain't never gotta worry 'bout me leaving
What you're giving me is never too much
There is so much more to us but this is physical
It's like a carnival and I am ready now to go for a ride
(All night)
Being with you is like
(Patr'on on ice)
Sipping it slowly
Chocolate gift at night, I'm feeling it
I'm so into you, I could stay up with you
(All night)
We could get it, get it in by
(Candlelight)
Taking it slow
Chocolate gift at night, I'm feeling it
I'm so into you
So, so
Into you
When we're kissing, I just lose my mind
You do something to me every time
And you always say the right thing to me
That's why I don't mind being anything you need me to be
We ain't got to talk, say nothing, I am content
Being alone with you, I love it, you should stay here all night
(All night)
Being with you is like
(Patr'on on ice)
Sipping it slowly
Chocolate gift at night, I'm feeling it
I'm so into you, I could stay up with you
(All night)
We could get it, get it in by
(Candlelight)
Taking it slow

Chocolate gift at night, I'm feeling it
I'm so into you

I ain't never had this feeling before
I'm so open wide, you've opened the door, yeah
Never believed this could exist
I don't mind falling, never gonna go back
(Because now I know what I feel, oh)
So, so
Into you
(I'm so into you)
So, so
Into you
(And I don't wanna be with nobody else but you)
(All night)
Being with you is like
(Patr'on on ice)
Sipping it slowly
Chocolate gift at night, I'm feeling it
I'm so into you, I could stay up with you
(All night)
We could get it, get it in by
(Candlelight)
Taking it slow
Chocolate gift at night, I'm feeling it
I'm so into you
(All night)
Being with you is like
(Patr'on on ice)
Sipping it slowly
Chocolate gift at night, I'm feeling it
I'm so into you, I could stay up with you
(All night)
We could get it, get it in by
(Candlelight)
Taking it slow
Chocolate gift at night
