Be My Girl

Aaron Watson

You know love shouldn't be so complicated
We both know there's only two sides to a wall
But pride can be ten foot thick and twenty foot high
I think it's time that we bring in that wrecking ballI've got a blanket and a bottle of wine
Let's strip it down and see what we might find
Oh my my be my girl tonight
I've got a heartache and you've got yours
Let it all fall on our bedroom floor
Oh my my be my girl tonightAnd some say love is way overrated
But I wonder did they think that way back when
I remember our first night we held on tight
The world was sweet and simple, let's go back there againI've got a blanket and a bottle of wine
Let's strip it down and see what we might find
Oh my my be my girl tonight
I've got a heartache and you've got yours
Let it all fall on our bedroom floor
Oh my my be my girl tonightNo we're not gonna sleep til we get this right
We can straighten those picture frames come morning light
Be my girl tonightI've got a blanket and a bottle of wine
Let's strip it down and see what we might find
Oh my my be my girl tonight
I've got a heartache and you've got yours
Let it all fall on our bedroom floor
Oh my my be my girl tonight
Oh my my be my girl tonight
Oh my my won't you be my girl
Oh my my be my girl
