

# Who Is He (And What Is He to You)?

## Tower Of Power

A man we passed just tried to stare me down  
And when I looked at you, you looked at the ground  
I don't know who he is but I think that you do  
Dag gummit, who is he and what is he to you? Something in my heart and in your eyes  
Tells me that he's not someone passin' by  
And when you cleared your throat was that your cue?  
Dag gummit, who is he and what is he to you? Now when I add the sum of you and me, dig this  
I get confused 'cause I keep coming up with three  
Well listen, you're too much for one man and not enough for two  
Dag gummit, who is he and what is he to you?  
What is he to you? I wanna know Now tell me you that man don't have much intuition, no  
Is that what you really think woman or are you wishin'?  
Listen, before you wreck your old home be sure about your new  
Dag gummit, who is he? What is he to you?  
What is he to you? Someone, somebody say it Say it again baby  
Woman respect yourself, respect yourself  
Who was that man with you girl?  
What is he to you? 'Cause who was he to you? What is he to you?  
Tell me who are you lovin'?  
Who is he to you, baby?  
Respect yourself, respect yourself Who was he to you?  
Who was he to you lady?  
I gotta know right now  
Just tell me
