

Bleeder

Hot Water Music

You came to me like a dream
The kind that always leaves
Just as the best part starts
It ends so abruptly
And leaves you stunned and naked
In your bedroom all alone
It's kinda funny how something so soothing
Gets interrupted by the ring of a telephone And you broke me like the cigarette
That I busted on the day I quit
But now that I've been drinkin'
I'm out of smokes and I wish that I had it
Woke up to my daily headache
And the realization that you are gone
Oh my sweet darling happiness
You've been away from me all along One thing that I never said
I'm truely happy in my heart and in my head
A lonely liver suspended in liquid You came to me like a dream
The kind that always leaves
Just as the best part starts
It ends so abruptly
And leaves you stunned and naked
In your bedroom all alone
It's kinda funny how something so soothing
Gets interrupted by the ring of a telephone One thing that I never said
I'm truely happy in my heart and in my head
A lonely liver suspended in liquid
It's one thing that I never did was swallow
Missing a case
Lacking a lid
My heart bleeds for what you never did
Never Did It's one thing that I never said
I'm truely happy in my heart and in my head
A lonely liver suspended in liquid
It's one thing that I never did was swallow
Missing a case
Lacking a lid
My heart bleeds for what you never did
My heart bleeds for what you never did until now
