

Diane

Jeff Hutchins

Youâ€™ve got a bodice like a goddess
Iâ€™m completely in love
I canâ€™t even tie my shoes.
Every time I see you I just drown in your smile
I want you to become my wife,
The girl Iâ€™m gonna spend my life with.

[Chorus]

Donâ€™t you see, Diane, Iâ€™m so in love with you
Youâ€™ve seen me as I am, but did you misconstrue?
Iâ€™ve been gone so my plans have changed
And my attitude is changing too.
Did you think I could ever leave you?
Do you still think I could deceive you?
Youâ€™ve got to believe youâ€™re the only one.

It took a while to compile
But the figures are in:
I could only live with you.
I can see eternity here in your arms
Every time we kiss good night,
Every time we leave the light on.

[Repeat Chorus]
