

# Blue Jeans 2.0

## Ladytron

Straight lines that cut through the scene  
Like you wanted to, blue jeans  
Soft loans that spent all last summer  
Buying drinks for you, blue jeans  
Left hand that crashed near your house  
In the ice and snow, blue jeans  
A face outside sleeping pressed against  
The bay window, blue jeans  
You've been trying to protect me  
An insect living in your memory  
Don't, blue jeans won't cut at the seams  
Like you want them to  
You don't need me to show the way now  
They're onto you, blue jeans  
And I won't be phoning you today  
Unless you want me to, blue jeans  
You've been trying to protect me  
An insect living in your memory  
Don't, blue jeans won't cut at the seams  
Like you want them to
