# Reach For The Sky

## Gary Moore

Sometimes it seems
That you've had more than enough
As your life is going nowhere
And you feel like giving upSometimes you know
That you can't take anymore
When things are getting harder
Than they've ever been beforeDon't lose your heart when things go wrong
You know what to do now
Just turn your back and carry on, come onReach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands upSometimes it seems
Like you've really lost your way
When your mind is full of doubt
You've got nothing left to sayYou're going around in circles
Like a man who's running blind
But the world must keep on turning
And it's leaving you behindDon't lose your heart when things go wrong
You know what to do now
You've got the strength to carry on, come onReach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands upReach for the sky
Reach for the sky
Reach for itDon't lose your heart when things go wrong
You know what to do now
You've got the strength to carry on, come onReach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands upReach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands up
Hands up, hands upReach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
