

Homemade Wine (Re-Recorded)

Ozark Mountain Daredevils

Down in the hills of the Ozarks
There are some women that'll have your heart
 All wrapped up in chains it's a shame
If you make the bad mistake of telling them
 All the crazy things you tell them
When you're high on that homemade wine
'cause when you're high on that homemade wine
Every woman will sure look fineHalf standin' in my sleep
 I'm lookin' at my feet
And wonderin' where do I go from here
 I've been walkin' for an hour
 Tryin' to find my shower
So my head can't be on right yet
It's that wine and I'll take all bets
It's that wine that's gettin' to my headMade me a fifty gallon barrel
 Connected with an air hose
 And I had me a real good rig
 Went on a binge for one week
 Got to where I couldn't speak
 To anyone oh I was high
It's that wine and I'll tell no lies
Take that wine if you want to get higher, higher
 It's that wine and I'll tell no lies
Taste that wine if you want to get high
